ACT would like to make you aware of the option of completing a special circumstance request if there has been Changes to Your Family's Financial Situation:

If you or your family's financial situation has changed significantly from what is reflected on your federal income tax return (for example, if you've lost a job or otherwise experienced a drop in income), you may be eligible to have your financial aid adjusted. Complete the FAFSA questions as instructed on the application (including the transfer of tax return and income information), submit your FAFSA form, then contact ACT's financial aid office to discuss how your current financial situation has changed. Note that the school's decision is final and cannot be appealed to the U.S. Department of Education.
