

# Monthly ACT Spotlight

## Academy of Careers & Technology

### Cause for Celebration

We have wrapped up competition season and are proud of our students for making ACT shine! Our successes are evidence of the dedication and effort of both our students and staff. At the state HOSA competition, ACT had 4 first place, 3 second place, and 4 third place finishers. At the state SkillsUSA competition, ACT brought home 10 gold, 10 silver, and 5 bronze medals. With April comes our National Technical Honor Society induction of new members, hosting several banquets for Raleigh County Schools, and NOCTI assessments. We want to encourage our students (and staff) to keep up the great work as we near the end of another school year!
